Дорогие мальчики и девочки!

Вы приступаете к изучению английского языка, и рабочая тетрадь поможет вам самостоятельно выполнять письменные задания. Ведь очень важно научиться всё делать самому, не так ли? Вы будете оценивать свою работу сами. Для этого в конце каждого урока нарисованы треугольник / , квадрат кружок . Будьте к себе справедливы и требовательны. Если вы считаете, что выполнили задания очень хорошо, раскрасьте кружочек красным цветом, если хорошо — зелёным, а если не очень хорошо — синим. В квадрате вашу работу оценят родители, а в треугольнике отметку поставит учитель. Интересно, совпадут ли ваши оценки? Итак, в добрый путь! ностава эти буквы сам, закончив строчку.

1 Внимательно посмотри на буквы английского алфавита и обведи цветным карандашом те из них, которые похожи на буквы русского алфавита.

2 Аккуратно обведи большие и маленькие буквы.
